Docket No. N2022-1

**NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING OF  
REVISED LIBRARY REFERENCE USPS-LR-N2022-1/NP10 -- ERRATA**  
(April 21, 2021)

The Postal Service hereby provides notice that it is filing revised versions of questions 1 through 4, and 12, of the nonpublic library reference USPS-LR-N2022-1/NP10 associated with the responses to the Presiding Officer's Information Request No. 4, originally submitted in this docket on April 15, 2022. The response to question 13 in the original library reference as well as the Excel file titled "SMB Survey Output Request.xlsx" that accompanied the original library reference have not changed; nevertheless, the answer and the excel file are included in the revised library reference to promote the convenient reference to a single library reference for all the responses. This revision, therefore, constitutes a complete replacement of that library reference.

The material for this revised non-public library reference have been uploaded to the Non-public Library References folder on USPS ELFS.

The Postal Service incorporates herein the Application for non-public treatment for this revised library reference as was incorporated into the April 15, 2022, Notice of Filing for the original USPS-LR-N2022-1/NP10.

In addition, a revised public response is filed separately. The revised public response clarifies that the responses to question 1-4, 12-13 can be found in the revised version of USPS-LR-N2022-1/NP10.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
